

New Year's Resolutions? *Restoration Biology Solutions!*

RESTORATION BIOLOGY™ "YOUR REAL AGE!"

The body doesn't know its chronological age; it only acts its biological age. It will perform miracles by the minute when edified with the proper raw materials. The ForeverGreen commitment is to provide the best raw materials known to man. Restoration Biology™ is a way to honor the intelligence of the body, where age really is just a number, leaving your biological age up to you. So, how old do you want to be?

The ForeverGreen product line, offers restoration support in the areas of Cardio, Immune, Weight Management, Beauty and Skin Care, Natural Energy, Physical Fitness, and overall General Health, anchored by our world-class clean and/or organic whole food line, and of course Marine Phytoplankton, the First food, the Best food, the Final say in health and wellness.

Use these "Restoration Biology™ Solutions" packs to help you find a starting place to get to your "REAL AGE".

I Resolve To: *Get into better shape*

SOLUTION: **FITNESS PACK**

This time of year, everyone resolves to make changes that will affect their health and wellbeing. With this pack, get all your favorite weight management products from ForeverGreen, for you and a "work out" buddy. We all know it is easier to stick to a routine if you have someone working with you.
