

Passport to the World of **HERBS**

HAVE YOU WANTED TO BECOME A CERTIFIED HERBALIST?

Now YOU can LEARN and EARN in this amazing field of Holistic Health:

- In-depth study of 60+ therapeutic and nutritious plants from around the world.
- Medicinal properties and Latin botanical names of plants (herbs) for health.
 - Recognizing, gathering and growing plants for medicinal use.
- Buying raw materials wholesale and making kitchen medicine from herbs.
- Learn how to make capsules, pills, extracts, salves, ointments, infusions, etc.
 - Explore herbs on hikes, in gardens, and in fields.
 - Learn how to grow herbs and use them for medicine.
- Learn how to help your family or create a business with herbs!

50 Hours of Instruction and Hands-On Experience

Make healing herbal projects in each class to take home.

Receive a Certificate of Completion as an Herbalist Level 1

Botanical Education Foundation

Manuals and materials for herbal projects are included in the registration.

Payment must be made at least 10 days in advance in order to have manuals printed and the supplies purchased for each registrant. A discount is available to those who prepay the entire course. No refunds.

Classes missed (emergency) can be made up in future schedules. Class size is limited to 20 participants and is already filling so register now. Advanced Herbal Certification with Body Systems using Herbs will also be offered. Outside of class requirements: 20 outside hours of projects or classes, 3 case studies, completing a test each class (take home and bring back to the next class). Herb text books are available for purchase.
